AND REPEATEDLY REENACTS THIS KIDNAPPING DRAMA
WHICH INVOLVES ME.
He's worth-less..
sllssh

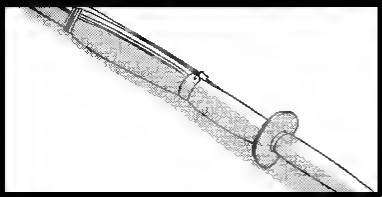
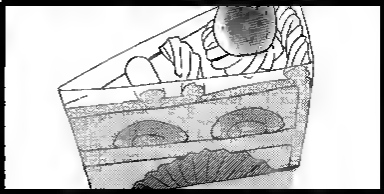
AFTERWORD

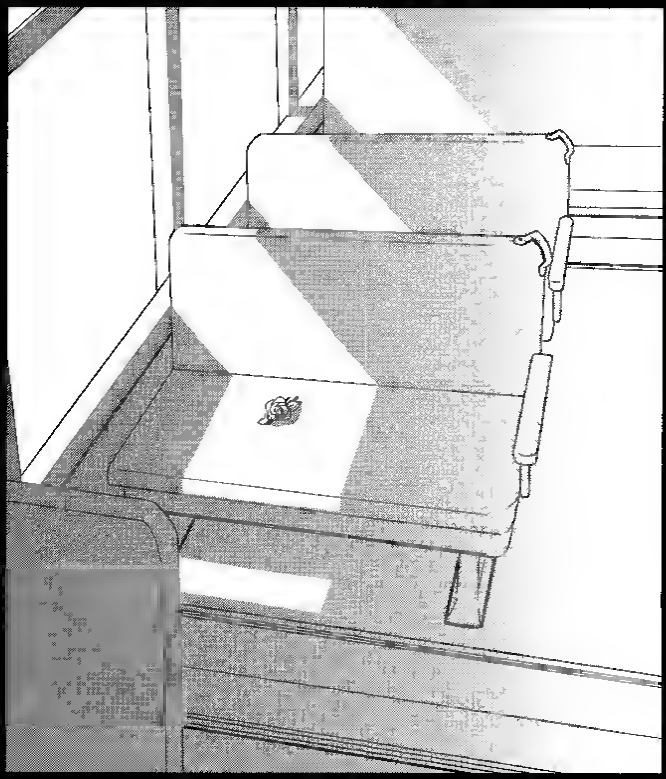


"Advice on Kidnapping"
A story hit me the other day about a special where the brother at a lottery gets kidnapped. I'm still thinking of what happens afterword.

"Kedama's Cake"
I've been drawing a lot of cakes, so my mother brought me a cake the other day and I drew that one too. I'm really hungry now.



"Yesterday, We Had a Fight"
I've never dipped my scarf into curry before, but I have dipped my doll into blueberries. For now, I'll stick to blueberries.



『GAME OVER』

I got the OK for this plot last year in the fall, before I even started writing the manuscript. There were already talks of tankoubans with this title surfacing. Who... who would have thought... that I'd get this far with it... and now I'm writing an afterword for it. It's like I'm still in my dreams.
I pray with all my might that you thoroughly enjoyed it...
